

Book written and drawn by Ian at approximately age 10 or 11

Title - "The Little Leaf"

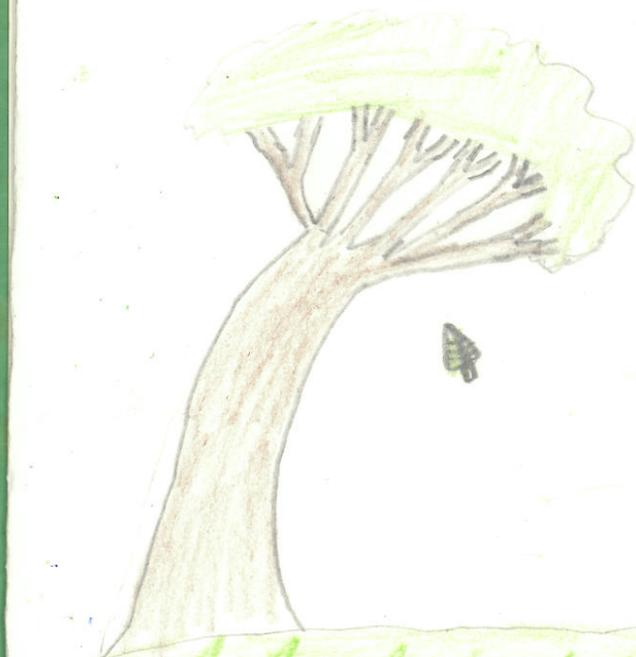

The Little Leaf

Once there was a little leaf who
wanted to be important

by Ian Zelazny

One day he decided to fall off his tree
and be caught in the wind.

He flew and flew until finally he fell
on the ground and a caterpillar found him.

One day he decided to fall off his tree and be caught by the wind.

He flew and flew until finally he fell on the ground and a caterpillar found him.

Then the caterpillar did something the leaf
didn't expect. He ate him!

Then the caterpillar climbed up a
tree.

Then the caterpillar did something the leaf didn't expect. He ate him.

Then the caterpillar climbed up a tree.

After that the caterpillar went in
his cocoon.

Then he emerged as a
beautiful butterfly. Now the leaf is
important.

After that the caterpillar went in his cocoon.

Then he emerged as a beautiful butterfly. Now the leaf is important.
